2021 School Accountability Report Card

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at www.cde.ca.gov/ta/ac/sa/

For more information about the LCFF or the LCAP, see the CDE LCFF web page at www.cde.ca.gov/fg/aa/lc/

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at dq.cde.ca.gov/dataquest/ that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) www.caschooldashboard.org/ reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2021-22 School Overview

At Hidden Valley School, we are very proud of the warm camaraderie that exists among our staff and parents, and the strong focus on learning and citizenship that we maintain. Our talented teachers and support staff take great pride in their work and are focused on ensuring that Hidden Valley keeps the focus on our students, providing a program of academic excellence, cultural richness, social, emotional and physical development that educates, supports, challenges and inspires each child. Our phenomenal PTO and YES Foundation continually supports the school to allow combined efforts to provide the quality educational experience all students deserve.

Our school is located in a quiet valley, nestled against open space with gorgeous views of Mt. Tamalpais. Hidden Valley School opened in 1954 and is one of five schools in the Ross Valley School District. Ross Valley School District, in general, and Hidden Valley, in particular, is a community that nurtures and treasures its children. It is because of this that the community is committed to the support of a rich educational experience. Parents, teachers, local businesses and children have all become partners in this mission. This cooperative spirit creates our unique Hidden Valley learning community. The welcoming school environment and culture are qualities that our families enjoy.

Our teachers and students are the heart of our school community. We have a school population of approximately 250 students, TK through fifth grade. The welcoming school environment and culture are qualities about Hidden Valley that our families enjoy. Our education program is supported by 12 regular education teachers, a Resource Specialist and special education staff including a part time school counselor, as well as Music, Art, and PE classes.

We encourage parents to become an active participant in the life of Hidden Valley School. There are many ways to become involved in school programs and activities: working with the PTO and its many programs and projects; participating in School Site Council; supporting YES; working as a classroom volunteer; or attending the various community functions.

SCHOOL DESCRIPTION

Our campus is a community-oriented facility - used after hours to support the community. The site is shared with a non-profit operated before-and-after school day care. The school fields are shared with San Anselmo Recreation Department so that Hidden Valley facilities can be utilized for community recreational programming. Upkeep of our school grounds and gardens is a shared responsibility between community organizations, parent volunteers and the school district staff. Our Parent Teacher Organization Board aligns yearly goals with our school improvement plan to provide additional support and materials to ensure

2021-22 School Overview

student success. The PTO actively solicits participation from the community in monthly meetings, our annual fundraiser, the Fun Run and community family events. The school garden is tended by students, teachers, and parent volunteers working closely with staff.

All programs in the Site Plan are based on state content and performance standards. Goals are established annually and made explicit in the objectives and activities in each section of the plan. These goals are supported by professional development at site and district meetings, staff development days, and conferences. The plan supports learning for all students school-wide with additional funding and services provided for special education and English Language Learners.

MISSION STATEMENT

The Hidden Valley mission is to provide comprehensive learning experiences based on best practices:

- where students will develop confidence in their ability to think for themselves, analyze a variety of situations, find creative solutions, and generate a love of learning, and;
- where students will approach the world beyond their immediate community with a sense of respect, wonder and responsibility;
- where students will be challenged to reach their highest learning potential within a rigorous academic context enriched by art instruction.

We prepare our students to be self-motivated, knowledgeable, and caring life-long learners!

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All Ross Valley School District students have access to high-quality textbooks and instructional materials pursuant to the settlement of Williams vs. the State of California. The Ross Valley School District establishes a committee of teacher leaders for the review and adoption of standards-aligned curriculum materials; recommendations are then made to the board of trustees for approval. During the 2021-22 school year, the district is continuing to explore science curriculum materials to pilot in the 2022-23 school year. The below table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school (as of January 2022).

School Facility Conditions and Planned Improvements

The Ross Valley School District passed a \$41 million facility bond in November 2010 to accommodate increased enrollment and replacement and/or repairs at Hidden Valley School and other schools in the district. In summer of 2016, 3 modular classrooms were added to replace the two portables. New playground and basketball courts were added.

Ross Valley School District uses Integrated Pest Management (IPM) strategies and the least toxic method of pest control possible as a means to control unwanted pests. In accordance with AR 3514.2 IPM strategy focuses on long-term prevention or suppression of pest problems through a combination of techniques such as monitoring for pest presence and establishing treatment threshold levels, using non-chemical practices to make the habitat less conducive to pest development, improving sanitation, and employing mechanical and physical controls. Pesticides that pose the least possible hazard and are effective in a manner that minimizes risks to people, property, and the environment are used only after careful monitoring indicates they are needed according to established guidelines and treatment thresholds. (California Education Code §17609; Food and Agricultural Code§ 13181)

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

Subject	School 2019-20	School 2020-21	District 2019-20	District 2020-21	State 2019-20	State 2020-21

2020-21 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment. The CDE will populate this table for schools in cases where the school administered the CAASPP assessment. In cases where the school administered a local assessment instead of CAASPP, the CDE will populate this table with "NT" values, meaning this school did not test students using the CAASPP. See the local assessment(s) table for more information.

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2020-21 California Physical Fitness Test Results

Due to the COVID-19 crisis, the Physical Fitness Test was suspended during the 2020-2021 school year and therefore no data are reported and each cell in this table is populated with "N/A."

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2021-22 Opportunities for Parental Involvement

Parents and Hidden Valley staff are partners in education. Parent involvement is an integral part of our school community. Parents serve as volunteers in the classroom, as lunchtime supervisors, serve in leadership and consult roles, on site and district committees, assist with special projects and offer their many talents and expertise to enrich the educational experience of our students. We invite and encourage parents to take an active role in their child's education and the school community. There are a variety of leadership opportunities for parents at the school level, such as SSSPP safety task force, school site council and the parent club. It is our goal this year to take a closer look at Equity and how we can be a more inclusive school community, focusing on engaging learners who are struggling.

At the District level, parents can volunteer to be part of the YES Foundation which supports the Visual and Performing Arts and Libraries. Also, the Superintendents Round Table and Superintendents Council meetings held 6 times per year. Other opportunities include the District Wellness Committee, District English Learner Advisory Committee, Citizens Oversight Committee, etc.

2020-21 Chronic Absenteeism by Student Group

C. Engagement

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

Expulsions	0.00	0.00	0.00	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

2021-22 School Safety Plan

The Board of Trustees reviews and adopts the Ross Valley School District's School Safety by March 1st each year. The plan is developed in coordination with Marin County emergency agencies such as Marin County Sheriff and Ross Valley Fire. Our plan includes procedures for earthquake, fire, and lock down drills and shelter in place. The school community practices a variety of emergency drills on a scheduled basis. The number of drills is determined by California Education Code. Students are trained to play active roles in these drills. School Administrators and staff attend annual trainings to better prepare the school for unanticipated emergencies. The plan includes procedures for disaster preparedness and response. Our site's emergency plan includes a complete NIMS chart, training includes search and rescue, basic first aid, and student release. Our emergency supply container is checked and re-stocked yearly.

Board policies on suspension and expulsion, procedures to notify teachers of dangerous pupils, sexual harassment, school-wide dress code, procedures of safe ingress and egress of pupils and rules and procedures on school discipline are also components of the plan. The plan may be reviewed in detail at the school site.

The District has installed window film for safety and security at each site. All door locks have been checked and only require a push button to lock and secure each room. All door locks have been checked and only require a push button or simple motion to remove a door block to lock and secure each room. In addition, the telephone system allows each school to call 911 and to contact the District in the event of an emergency. Also, the walkie-talkie system has been upgraded for each site to contact the District and all school personnel have walkie talkies to communicate at the site level and to contact the District in the event of an emergency. Also, the walkie talkie radio system has been upgraded for each site to contact the District. We have also developed a School Site Safety plan in response to the Covid-19 pandemic. We have protocols for hand-washing, staggered arrival and dismissal, social distancing, isolating sick students, communication protocols in cases of COVID exposure, mask/face coverings, and movement across campus.

Professional Development

Our professional development plan is designed to support our LCAP goal areas:

Equity
Wellness
Multi-tiered Systems of Support

The Ross Valley School District has three certificated professional development days each year:

August 12th: Teachers engaged in two different sessions in the morning, one with Equity Consultant Deborah McKnight on bringing our equity work closer to the classroom and another with Social-Emotional Learning Expert Sam Drazin on supporting students in the CASEL competencies. The afternoon was spent at sites preparing to launch full in-person instruction.

October 11th: This day took the form of a mini-conference with a selection of offerings aligned with our LCAP Equity, MTSS, and Wellness goals. These sessions included:

A Deeper Dive into Equity Work
Science of Reading
On-Demand Writing and Strategy Groups
Designing Effective Block Periods
Staff and Student wellness
Understanding Sensory Integration and the Role of Self-regulation Tools in the Classroom

January 3rd: This was a site-based professional development day focused on the implementation of our District Racial Equity Plan actions.

District-wide PD is supported and deepened through site-based work and the efforts of our site principals and district coaches (technology, literacy, district leadership team). The bulk of our Wednesday Professional Development this year was focused on the implementation of our Social Justice Book Bundles.

This table displays the number of school days dedicated to staff development and continuous improvement.

2020-21 Local Accountability Report Card (LARC) Addendum

Local Accountability Report Card (LARC) Addendum

2020-21 Local Accountability Report Card (LARC) Addendum Overview

On July 14, 2021, the California State Board of Education (SBE) determined that the California Department of Education (CDE) will use the SARC as the mechanism to conduct a one-time data collection of the LEA-level aggregate test results of all school's local assessments administered during the 2020–2021 school year in order to meet the federal Every Students Succeeds Act (ESSA) reporting requirement for the Local Educational Agency Accountability Report Cards (LARCs).

Each local educational agency (LEA) is responsible for preparing and posting their annual LARC in accordance with the federal ESSA. As a courtesy, the CDE prepares and posts the LARCs on behalf of all LEAs.

Only for the 2020–2021 school year and the 2020–2021 LARCs, LEAs are required to report their aggregate local assessments test results at the LEA-level to the CDE by populating the tables below via the SARC. These data will be used to meet the LEAs' federal requirement for their LARCs. Note that it is the responsibility of the school and LEA to ensure that all student privacy and suppression rules are in place when reporting data in Tables 3 and 4 in the Addendum, as applicable.

The tables below are not part of the SBE approved 2020–2021 SARC template but rather are the mechanism by which these required data will be collected from LEAs.

For purposes of the LARC and the following tables, an LEA is defined as a school district, a county office of education, or a direct funded charter school.
