### School Description

At Hidden Valley School, we are very proud of the warm camaraderie that exists among our staff and parents, and the strong focus on learning and citizenship that we maintain. Our talented teachers and support staff take great pride in their work and are focused on ensuring that Hidden Valley keeps the focus on our students, providing a program of academic excellence, cultural richness, social, emotional and physical development that educates, supports, challenges and inspires each child. Our phenomenal PTO and YES Foundation continually supports the school to allow combined efforts to provide the quality educational experience all students deserve.

Our school is located in a quiet valley, nestled against open space with gorgeous views of Mt. Tamalpais. Hidden Valley School opened in 1954 and is one of five schools in the Ross Valley School District. Ross Valley School District, in general, and Hidden Valley, in particular, is a community that nurtures and treasures its children. It is because of this that the community is committed to the support of a rich educational experience. Parents, teachers, local businesses and children have all become partners in this mission. This cooperative spirit creates our unique Hidden Valley Family. The welcoming school environment and culture are qualities that our families enjoy.

Our teachers and students are the heart of our school community. We have a school population of just under 300 students, TK through fifth grade. The welcoming school environment and culture are qualities about Hidden Valley that our families enjoy. Our education program is supported by 14 regular education teachers, a Resource Specialist and special education staff including a part time school counselor, as well as Music, Art, and PE classes.

We encourage parents to become an active participant in the life of Hidden Valley School. There are many ways to become involved in school programs and activities: working with the PTO and its many programs and projects; participating in School Site Council; supporting YES; working as a classroom volunteer; or attending the various community functions.

### SCHOOL DESCRIPTION

Hidden Valley School was constructed in 1957 with seven classrooms. As our community grew, additional classrooms and upgraded were added. Most recently, utilizing bond money in 2017, 3 classrooms were added to our campus, along with a new K-5 play structure, resurfaced blacktop, sidewalks, grading, and landscaping. The school has 22 classrooms, a Multi Use Room, a school office, a nurses room, and 5 small office spaces.

Our campus is a community-oriented facility - used after hours to support the community. The site is shared with a non-profit operated before-and-after school day care. The school fields are shared with San Anselmo Recreation Department so that Hidden Valley facilities can be utilized for community recreational programming. Upkeep of our school grounds and gardens is a shared responsibility between community organizations, parent volunteers and the school district staff. Our Parent Teacher Organization Board aligns yearly goals with our school improvement plan to provide additional support and materials to ensure student success. The PTO actively solicits participation from the community in monthly meetings, our annual fundraiser, the Fun Run and community family events. The school garden is tended by students, teachers, and parent volunteers working closely with staff.

All programs in the Site Plan are based on state content and performance standards. Goals are established annually and made explicit in the objectives and activities in each section of the plan. These goals are supported by professional development at site and district meetings, staff development days, and conferences. The plan supports learning for all students school-wide with additional funding and services provided for special education and English Language Learners.

### MISSION STATEMENT

The Hidden Valley mission is to provide comprehensive learning experiences based on best practices:

- where students will develop confidence in their ability to think for themselves, analyze a variety of situations, find creative solutions, and generate a love of learning, and;
- where students will approach the world beyond their immediate community with a sense of respect, wonder and responsibility;
- where students will be challenged to reach their highest learning potential within a rigorous academic context enriched by art instruction.

We prepare our students to be self-motivated, knowledgeable, and caring life-long learners!

### About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

**Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2020-21)**

All Ross Valley School District students have access to high-quality textbooks and instructional materials pursuant to the settlement of Williams vs. the State of California. The Ross Valley School District establishes a committee of teacher leaders for the review and adoption of standards-aligned curriculum materials; recommendations are then made to the board of trustees for approval. During the 2019-20 school year, the district is piloting science curriculum materials for adoption. During the 2018-29 school year, the district adopted TCI History Alive! as our middle school history/social science curriculum. The below table displays information about the quality, currency, and availability of the standards-aligned textbooks and other instructional materials used at the school (as of January, 2019).

### School Facility Conditions and Planned Improvements (Most Recent Year)

The Ross Valley School District passed a \$41 million facility bond in November 2010 to accommodate increased enrollment and replacement and/or repairs at Hidden Valley School and other schools in the district. In summer of 2016, 3 modular classrooms were added to replace the two portables. New playground and basketball courts were added.

Ross Valley School District uses Integrated Pest Management (IPM) strategies and the least toxic method of pest control possible as a means to control unwanted pests. In accordance with AR 3514.2 IPM strategy focuses on long-term prevention or suppression of pest problems through a combination of techniques such as monitoring for pest presence and establishing treatment threshold levels, using non-chemical practices to make the habitat less conducive to pest development, improving sanitation, and employing mechanical and physical controls. Pesticides that pose the least possible hazard and are effective in a manner that minimizes risks to people, property, and the environment are used only after careful monitoring indicates they are needed according to established guidelines and treatment thresholds. ( California Education Code §17609; Food and Agricultural Code § 13181)

### School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

#### Year and month in which data were collected: January 2021

These are missing top playground bench, hole in concrete, large seams causing trip hazards, and broken asphalt near tennis courts. Windows/Doors/Gates/Fences was 100%
<b>Overall Rating</b>	<b>Good</b>	Overall Rating is 95.09%

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### CAASPP Test Results in ELA and Mathematics for All Students

ELA	76	N/A	78	N/A	50	N/A
Math	81	N/A	69	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### C. Engagement

#### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

#### Opportunities for Parental Involvement (School Year 2020-21)

Parents and Hidden Valley staff are partners in education. Parent involvement is an integral part of our school community. Parents serve as volunteers in the virtual classroom, on site when appropriate, serve in leadership and consult roles, on site and district committees, assist with special projects and offer their many talents and expertise to enrich the educational experience of our students. We invite and encourage parents to take an active role in their child's education and the school community. There are a variety of leadership opportunities for parents at the school level, such as SSSPP safety task force, school site council and the parent club. It is our site's goal this year to take a closer look at Equity and how we can be a more inclusive school community, focusing on engaging learners who are struggling.

At the District level, parents can volunteer to be part of the YES Foundation which supports the Visual and Performing Arts and Libraries. Also, the Superintendents Round Table and Superintendents Council meetings held 6 times per year. Other opportunities include the District Wellness Committee, District English Learner Advisory Committee, Citizens Oversight Committee etc.

**State Priority: School Climate**

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

**School Safety Plan (School Year 2020-2021)**

The Board of Trustees reviews and adopts the Ross Valley School District’s School Safety by March 1st each year. The plan is developed in coordination with Marin County emergency agencies such as Marin County Sheriff and Ross Valley Fire. Our plan includes procedures for earthquake, fire, and lock down drills and shelter in place. The school community practices a variety of emergency drills on a scheduled basis. The number of drills is determined by California Education Code. Students are trained to play active roles in these drills. School Administrators and staff attend annual trainings to better prepare the school for unanticipated emergencies. The plan includes procedures for disaster preparedness and response. Our site’s emergency plan includes a complete NIMS chart, training includes search and rescue, basic first aid, and student release. Our emergency supply container is checked and re-stocked yearly.

Board policies on suspension and expulsion, procedures to notify teachers of dangerous pupils, sexual harassment, school-wide dress code, procedures of safe ingress and egress of pupils and rules and procedures on school discipline are also components of the plan. The plan may be reviewed in detail at the school site.

The District has installed window film for safety and security at each site. All door locks have been checked and only require a push button to lock and secure each room. All door locks have been checked and only require a push button or simple motion to remove a door block to lock and secure each room. In addition, the telephone system allows each school to call 911 and to contact the District in the event of an emergency. Also, the walkie-talkie system has been upgraded for each site to contact the District and all school personnel have walkie talkies to communicate at the site level and to contact the District in the event of an emergency. Also, the walkie talkie radio system has been upgraded for each site to contact the District. We have also developed a School Site Safety plan in response to the Covid-19 pandemic. We have protocols for hand-washing, staggered arrival and dismissal, social distancing, isolating sick students, communication protocols in cases of COVID exposure, mask/face coverings, and movement across campus.

**Suspensions and Expulsions**

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	1.8	0.6	2.3	1.8	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

**Suspensions and Expulsions for School Year 2019-2020 Only**

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	.3	.9	
Expulsions	0	0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

**Professional Development (Most Recent Three Years)**

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	3	3	

The Ross Valley School District has three certificated professional development days each year:

August 13th: This day was divided into two parts. The morning session was a continuation of our district equity work with equity trainers Epoch Education. Staff spent time revisiting our adopted compassionate dialogue protocol - Recognize/Interrupt/Repair - in the context of examining stories from Marin County BIPOC students.

During the afternoon session, our new district technology coaches offered a number of sessions in support of distance teaching including training on online platforms (Clever, Parent Square, SeeSaw, Google Classroom); support for new online curriculum (Amplify Science, Imagine Math), and best practices in synchronous instruction (Peardeck, Flipgrid, Blendspace).

October 12th: The focus of this PD day was on the transition to in-person, hybrid instruction. Teachers were given time to set up their classrooms and plan with their grade level and content colleagues.

January 4th: Elementary teachers received training on three areas of support for students during the pandemic: trauma-informed practices, re-engagement of students, and best practices in mathematics instruction. Special education teachers joined for the work on trauma-informed practices and then participated in a training on a new mathematics intervention program, Imagine Math. The focus of the middle school day was on hybrid instruction including time for sixth-grade teachers to share their learning with their 7th and 8th-grade colleagues.

District-wide PD is supported and deepened through site-based work and the efforts of our site principals and district coaches (technology, literacy, district leadership team).

### Types of Services Funded

The Local Control Accountability Plan (LCAP) approved by the Board of Education trustees has provided additional supports at Hidden Valley Elementary School. Title II funds support professional growth and development. State and Federal funds ensure that all students identified with a disability receive a Free and Appropriate Public Education. In addition, the school receives Federal Title III funds to support interventions for students that are English Language Learners.

### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
